Speaking for ielts (collins english for exams) pdf

Collins English for Exam Speaking for IELTS by Karen Kovacs will prepare you for the IELTS Speaking test if you are doing the test for the first time, or re-sitting for IELTS Academic or IELTS General Training Module. It was written for students with 5-5.5 band score who are trying to reach the IELTS 6.5 band score or higher. The structured approach, the complete answer key and the sample answers have been designed so that you can use the materials to study on your own. However, the book can also be used as an additional language skill course for IELTS preparation courses. The book provides enough material for about 50 hours of classroom activity. \$18 37 Written by professional IELTS teachers to help candidates on the big day 4.5 rating Content of Speaking for IELTS by Collins English for Exam : Speaking for IELTS is divided into 12 units. Each unit focuses on a topic that you risk encountering in the IELTS exam. This helps you build a bank of vocabulary and ideas related to a variety of topics. Units 1-11 cover vocabulary, grammar, pronunciation, and exam techniques to prepare you for the IELTS Speaking test. Each exercise is relevant to the test. The objectives listed at the beginning of each unit specify the key skills, techniques and language covered in the unit. You work for Unit 12, which contains an IELTS Speaking test final practice. In addition, the book provides exam strategies that tell you what to expect and how to have the best success in the test. Exam information is presented in clear, easy-to-read blocks. The exam suggestions in each unit highlight the essential techniques of the exam and can be quickly examined at a glance. Collins English for Exam Speaking for IELTS Unit Structure : Each of the first 11 units is divided into 2 parts. The first part of each unit introduces the vocabulary related to the topic, as well as the sentences and language that can be applied to any topic. Vocabulary exercises give you the opportunity to express complex ideas and opinions that prepare you for the IELTS Speaking test. The vocabulary is presented using the definitions of the Collins COBUILD dictionary. Pronunciation and grammar exercises help you develop accurate pronunciation and good grammar that will make you successful in the IELTS test. In each unit, you are given the opportunity to practice the new language you learned by attempting the questions in Part 1, Part 2, and Part 3 of the IELTS Speaking test. These test questions increase your familiarity with the exam format and help build your trust. The second part of each unit teaches you exam techniques. Information and exercises increase your awareness of what constitutes an effective and effective IELTS response strategies on how to achieve this goal. Collins English for Exam Speaking for IELTS response key : Provides a complete answer key for all sections of the book, including recommended answers and explanations. You will also find script of all the exercises of talking on the back of the book. There are sample answers for all IELTS Speaking test questions recorded on CDs. Audio scripts for sample answers are located on the back of the book. Learning from them will help you achieve the desired score. Use of Collins Speaking for IELTS for self-study : If you are not new to IELTS, it is recommended to work systematically through the 12 units in order to benefit from the progressive structure of the book. If you are a more experienced student, you can use the objectives listed at the beginning of each unit to select the most useful exercises. Each unit contains three to four hours of study material. You can choose to work alone or study with a partner willing to give and receive peer feedback. Avoid writing answers to vocabulary exercises directly in the book so you can try the exercises again after completing the unit. As you try the exercises in each unit, if you find a language that is particularly useful or relevant to write it in a separate notebook. Try reviewing what you learned before trying the IELTS practice questions in each unit. This will improve the quality of your answers. Record your answers, if you can. It will develop your self-awareness: you will be able to understand your strengths and areas in need of improvement. Also, knowing your progress will increase your confidence and motivation. Remember that there are no right or wrong answers to the exam questions: the examiner will mark you for the language and not for the topic. After answering the practice IELTS questions, listen to the sample answers. You can also read the sample answers in the audio scripts section on the back of the book. Write down all useful vocabulary and grammar structures. Be aware that vocabulary is not just single words. Please pay attention to the placements. We recommend that you play the sample answers a second time. This time, read the words as you listen, imitating the pronunciation of native speakers as closely as possible. It is very important that you do not store entire sentences or answers. IELTS examiners are trained to locate this topic and will change the topic if they think that stored answers are being repeated. With its structured approach, a wide range of relevant exercises and exam tips and techniques, Speaking for IELTS should equip you with the skills and language, as well as the confidence to address unknown questions on the day of the exam. Unit 12 is a complete practice test. This unit must be run under exam conditions, including setting suggested time limits. There is also an example answer for this practice test. So you can listen to the audio and read the audio script to learn from the experience. da Amazon Buy Collins Parlando per IELTS – Karen Kovacs Controllare anche : © 1996-2014, Amazon.com, Inc. Inc.
